Flat Rock Cellars Awards 2016

2016 was a very successful year at Flat Rock Cellars. We are so excited to be able to share with you the highlights of the awards won this past year.

We are here at Flat Rock Cellars for two reasons. First, we're here to make great wine. Second, we're here to offer you a truly personal wine experience. Everything we do comes from these two basic principles. We start in the vineyard with low yields, progressive viticulture practices and hand picking and sorting the grapes. We continue inside the winery with a sexy gravity-flow design and the latest in wine-making equipment from around the world.

Decanter The Decanter World Wine Awards (DWWA) is the world's largest and most influential wine competition. Judged by the world's wine experts, the results provide a comprehensive list of wine recommendations and international stockists.

The InterVin International Wine Awards is designed to recognize and celebrate the very best wines available to Canadian consumers. The goal is simple: help winemakers attain well-deserved recognition and celebrate outstanding achievements in winemaking.

The International Wine Challenge (IWC) is accepted as the world's finest and most meticulously judged wine competition which assesses every wine blind and judges each for its faithfulness to style, region and vintage.
